

Warranty - DK Engine Parts - Limited 1-Year Warranty

What Does This Warranty Cover?

This warranty covers any defects or malfunctions on your engine parts supplied by DK Engine Parts.

How Long Does The Coverage Last?

This warranty lasts for 1 (one) year after the purchase of the item(s). Coverage terminates once one year has passed from the invoice date.

What Will DK Engine Parts Do?

DK Engine Parts will replace any defective or malfunctioning part at no charge. We will work with you the best we can to get your engine up and running. DK Engine Parts will not reimburse any labor or other items damaged as a result of a part failure.

What Does This Warranty Not Cover?

This warranty does not cover any of the items that do not claim a Limited 1-Year Warranty. Be sure to ask the salesman what type of warranty coverage is offered for your engine parts. Labor to remove or replace the item will not be covered. Items that have been altered from the original specifications, misused, or damaged by accident or negligence or where the engine specification has been changed from the OEM standard (eg. increased power, non-standard fuel pump settings etc.).

DK Engine Parts must be notified by the customer of any Warranty claim. DK Engine Parts reserves the right to examine every item that is subject to a claim under this Warranty and the right to examine any associate parts of the engine/machine plus any relevant documentation.

How To Claim A Warranty?

Please Contact DK Engine Parts at 1-855-474-9400 and speak with a sales associate. Once DK Engine Parts is aware of the warranty claim, they will assist you in the proper actions to take. If you are to ship parts back to our location, please ship to the address below. Please do not ship items back to DK Engine Parts or any other facility without first contacting DK Engine Parts.

DK Engine Parts
Attn: Warranty Dept.
172 N 85 Pkwy
Fayetteville, GA 30214

We will inspect your item(s) and contact you when your item(s) are received. Some item(s) may take weeks to months to determine part failure or negligence on the installer. We will do our best to get an answer to the customer as quickly as possible. Please do not ship items back to DK Engine Parts or any other facility without first contacting DK Engine Parts.
